

Outsourcing Support Services for Tax, A&A and Client Accounting

Building Capacity, Driving Growth and Increasing Firm Profitability

With an experienced professional team based in the US, India and Mexico, Sentient offers a fully customized solution for your needs. As staffing continues to challenge firms throughout the US and the world, Sentient provides an integrated solution to help build capacity, increase efficiency, and improve productivity in your firm.

From Associate level up to Senior Manager, we can provide the expertise and specialization to support your existing staff or, if needed, build out a complete staff, allowing you to leverage and fill crucial gaps in your services.

Our team of experienced Chartered Accountants, many of whom have Big 4 experience, are fully dedicated to your firm, becoming a fully integrated part of your staff.

With strong experience on multiple platforms and a background in automation and AI technology, Sentient ensures a seamless path to rapid growth and can help position your firm for the future.

We are proud to be a founding member of the **Sage Intacct Authorized Services Partner Program**, a member of **Sage Intacct SIAP Partners**, **QuickBooks ProAdvisors**, and a **NetSuite Accounting** partner.
